This snapshot displays Kaiser Permanente's strategies, 2017-2019, to respond to some of the most pressing needs in our community, leveraging our unique resources and expertise.

#### **Areas of Focus**

## **Access to Care**

- Promote integration of care between primary and specialty care, including behavioral health care
- Increase and systematize access to needed social non-medical services

#### **Healthy Eating Active Living (HEAL)**

- Increase access to healthy, affordable foods including fresh produce, and decrease access to unhealthy food
- Increase access to physical activity opportunities in schools

#### Mental Health & Wellness

- Provide screening and identification related to behavioral health needs among low income, vulnerable and uninsured populations and connect them with the appropriate services or support
- ◆ Support opportunities to prevent and reduce the misuse of drugs and alcohol

## Education (Marin County, Petaluma, and Sonoma Valley)

- Support early childhood workforce development
- Support youth development programs that provide support to underrepresented students to prepare academically for college

\*Federal Poverty Level (200% FPL for a family of four ranged from \$47,100 to \$48,500 between 2013 and 2015)
