Kaiser Permanente Medical Financial Assistance (MFA) Program

If you need help paying for health care services or prescriptions you've had, or are scheduled to receive, from Kaiser Permanente, our MFA program may be able to help you.

How the program works

- The program offers temporary “awards” to help qualified applicants pay for care based on their financial needs.
- It's available to all Kaiser Permanente patients, whether you're a member or not.
- If awarded, the program will cover emergency or medically necessary care from Kaiser Permanente providers or at Kaiser Permanente facilities for a specified time period.
- The award does not apply to health care services provided and billed outside of Kaiser Permanente.

How to qualify

To qualify, you must meet **ONE** of the following sets of criteria:

1. Your gross household income is no more than 400% of the federal poverty level.

OR

2. Your out-of-pocket health care costs for emergency or medically necessary care, dental care, and medication over a 12-month period are equal to or more than 10% of your gross household income.
 - Out-of-pocket costs include copays, coinsurance, and deductible payments.
 - Out-of-pocket costs do not include any payments for your health plan itself, like your monthly premium.

If you don't have health insurance, you may be required to apply for it.

- Because the MFA program only provides temporary financial awards, we may require you to apply for coverage that will cover you in the long term. This could include any other public or private health programs you're eligible for — like Medi-Cal or subsidized plans available on the health insurance marketplaces.
- We may ask you to show proof that you've applied to these programs, or that you've been approved or denied by them. But you may still be able to get financial help from the MFA program while waiting for a decision from these other programs.
